

Research Summary: Seventy-Sevens

Written by Guy Morris

Introduction

In the book of SWARM, SLVIA speaks of various beasts, the image of a beast, dragons, harlots and the mystery Babylon, as well as the infamous, and mysterious Anti-Christ. All of which can sound confusing, crazy and outlandish, more of an acid trip than actual entity.

To begin with, put all of the images of mystical creatures out of your mind. All of them are allegories for alliances, institutional churches, or technical platforms such as the international banking system, the internet which were impossible for the writer to imagine, understand or explain.

So how do we interpret them? Simple, we confirm we are in the last days (we are) and so we look for entities that map to the attributes, relationships and actions.

The 70th Year of Jubilee

How do we confirm we are truly in the end-times? Daniel and a prophecy of seventy 'sevens' and how that correlates to the Jewish Year of Jubilee (49-year cycles).

Note: A 'week' in Jewish tradition was a seven-year period. Seven weeks completed a jubilee cycle.

Note: If the Jubilee system started in 1406 BC (see below) then how interesting that the 70th Year of Jubilee, which occurs every 49 years (7x7) will occur in 2024.

If we assume the 1967 Three-Day war as the end of the age of Gentile, then 7 'weeks' following that

The Talmud states that the people of Israel counted 17 Jubilees from the time they entered the Land of Canaan until their exile at the destruction of the First Temple.^[45] If counting is measured back 17 cycles from Ezekiel's Jubilee (Ezekiel 40:1)^[46] that began in Tishri of 574 BC, based on Thiele's computation,^[47] the first year of the first cycle would have been 1406 BC.

Sixty-Two Sevens to Christ

Daniel prophesied when the first coming of the messiah would occur, a long delay, and then a final count to the second coming. The Seventy 'Weeks' defined will send with the heavenly kingdom.

Daniel 9:24 Seventy-weeks are decreed for your people and your holy city: to finish the transgression, to put an end to sin, and to atone for iniquity, to bring in everlasting righteousness, to seal both vision and prophet, and to anoint a most holy place.

From the time of the prophesy there would be 62 weeks (434 years) until the crucifixion of Christ and destruction of Jerusalem.

Daniel 9:26 *After the sixty-two weeks, an anointed one shall be cut off and shall have nothing, and the troops of the prince who is to come shall destroy the city and the sanctuary. Its end shall come with a flood, and to the end there shall be war. Desolations are decreed.*

After the destruction of Israel would come an extended period called the **Age of Gentiles**, followed by **seven more 'weeks'** and then a **final count of seven, the tribulation**.

Age of the Gentiles

"They will fall by the edge of the sword and be led captive among all nations, and Jerusalem will be trampled underfoot by the Gentiles, until the times of the Gentiles are fulfilled." Luke 21.24

Following the fall of Jerusalem, and before the final count of eight sevens, Daniel, Jesus spoke of an extended period of time that puts a hold on prophecy fulfillment called the 'age of gentiles'.

Age of the Gentiles refers to the historical time between following 70 AD where non-Jews controlled the land of Israel and city of Jerusalem. There are many interpretations to what the age of the Gentiles means and when it ends, but most believe the age ended with the 1948 UN resolution that created the land of Israel from the British controlled land of Palestine.

However, a second interpretation is that the age does not end until the Jews control Jerusalem, which occur in 1967 during the 3-Day war. A part of me leans in this direction.

As noted in SWARM, this event was both historically singular, but the incredible statistical probability of the re-creation of Israel after nearly 2,000 years does demand some attention.

"Who has ever heard of such things? Who has ever seen things like this? Can a country be born in a day or a nation be brought forth in a moment? Yet no sooner is Zion in labor than she gives birth to her children." Isaiah 66:8

Note: Also note that starting with the end of the age of gentiles, there would be eight 'sevens' remaining to complete before the second coming.

"¹³ And I will bring them out from the people, and gather them from the countries, and will bring them to their own land, and feed them upon the mountains of Israel by the rivers, and in all the inhabited places of the country." Ezekiel 34:13

My belief is that the seven periods of marking the signs of the times ended in 2017 (1967 + 49 years) at which point we may have entered into a phase of last day prophesy called the Seven Seals.

During this time, the anti-Christ would appear on the world stage, and the alliances or entities of the beasts, dragons, whores and mystery Babylon of Revelation should be apparent from their attributes and tradition, and there would be a rise of false prophets, and teachers, war would prevail in the Middle East; a global pandemic and pestilence would lead to food shortage, and in some places, a famine with an economic collapse. All of which can be seen on the nightly news since 2017, exactly at the time Daniel said to keep watch for the second coming of the messiah.

The Third Temple

In the middle of the final seven, a third Jewish temple is rebuilt, and/or the temple sacrifice restarts. Why is the third Temple important in God's plan? Well, for one, if Jeshua is the sacrifice that ended sacrifice, and if through Christ the Holy Spirit dwells within us, then why does God still need a temple in which to dwell with man? It will be a false temple.

"So when you see the abomination of desolation spoken of by the prophet Daniel, standing in the holy place (let the reader understand), then let those who are in Judea flee to the mountains. Let the one who is on the housetop not go down to take what is in his house, and let the one who is in the field not turn back to take his cloak. And alas for women who are pregnant and for those who are nursing infants in those days! ..." Matt 24:15-21

Many believe that desecration of a third temple by the anti-Christ will be a sign of the last days.

The Red Heifer

In SWARM, temple sacrifices have begun and in fact, the preparation is ready.

I will start by admitting that I am not well versed on the importance of a red heifer in the restart of the temple sacrifice and how extremely rare this calf appears. The Jewish Sanhedrin are watching for the red heifer and believe that two candidates are now viable. Restart of regular sacrifice is also important to fulfill prophecy of when the Jewish Messiah will appear.

I recommend the linked video as a good resource on the Red heifer latest news.

Third Temple Location

The location of where to build the temple and who will build the temple also are filled with controversy. Tradition and most Jews believe the original two temples were built on what is now called the temple mount, and therefore holy ground and the third temple must be built on the temple mount. This will provoke war.

A second theory is based on archaeological evidence that the temple was actually south of the temple mount over the Gihon Springs. I believe this evidence. Now of course, if the third temple were built in

the City of David it would avoid a major Muslim conflict, but it would require a major event amazing archaeological find, perhaps the arc of the covenant to change the minds and hearts of the average Israeli. Or what if the third temple is a tent, like the original tabernacle that God gave to Moses.

Conclusions are that the new temple will be an unholy temple, brought by the Anti-Christ onto un-holy ground that will spark the final battle.

Abomination that leads to Desolation

The act of desolating the temple will trigger the Armageddon and the last 3.5 years of tribulation.

“So when you see the abomination of desolation spoken of by the prophet Daniel, standing in the holy place (let the reader understand) . . .”

What is this act? I don't know, but the following has some interesting ideals having to do with the Anti-Christ sitting on the mercy seat of the arc of the covenant and declaring themselves God and not dying.
