

# Research Summary: Beasts and Dragons

Written by Guy Morris

## Introduction

In the book of SWARM, SLVIA speaks of various beasts, the image of a beast, dragons, harlots and the mystery Babylon, as well as the infamous, and mis-betrayed Anti-Christ. All of which can sound confusing, crazy and outlandish, more of an acid trip than a future event.

To begin with, put all of the images of mystical creatures out of your mind. All of them are allegory for alliances, churches as an institution, countries, or technical platforms such as the international banking system, the internet or other power structures impossible for the writer to imagine, understand or explain.

So how do we interpret? Well, not sure about others, but I take note of attributes and relationships and then since we are in the time of those prophecies, I have selected entities that appear to match the criteria and with the correct relations and authority.

Most of these creatures will be introduced in Revelations 13 and 14.

## First Beast: Beast of the Sea

*Rev 13: 11 The dragon stood on the shore of the sea. And I saw a beast coming out of the sea. It had ten horns and seven heads, with ten crowns on its horns, and on each head a blasphemous name.*

Most scholars will refer to this as the remnant of the Roman empire, since at the time John wrote the book, the enemy that travelled the sea to attack was Rome. I go a step deeper and look closer at the various attributes of this beast, as it comes up later.

- Remnant of Rome (power, location, legal structure, culture)
- Ten Horns (ways of declaring power and authority)
- Seven Head or centers of power or leadership
- Ten crowns which I read as a monarchy form of power

To look at NATO is a start, but not a complete picture since NATO does not include the key allies of western power which are Australia and Japan. The sum of this beast alliance consists of the following:

- Seven (G7) leadership heads of economic power (US, France, Canada, Germany, Japan, UK, Italy)
- Ten Horns in my view represent banking and financial centers, the essence of the power of the beast. Since there are over 30 countries in NATO alone, the 'horn' had to represent something else. Tokyo, Sydney, Frankfurt, Zurich, Toronto, London, NY, San Francisco, Boston, Melbourne).

Other attributes include:

*2 The beast I saw resembled a leopard, but had feet like those of a bear and a mouth like that of a lion. The dragon gave the beast his power and his throne and great authority.*

*3 One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast.*

*4 People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can wage war against it?"*

Okay, a lot to unpack here, but let's start.

- Leopard was symbolic of Greece, where we inherit Greek philosophy in the western culture, powerful like a bear wandering where it wants unchallenged, roaring loud like a lion. Okay, I can still see this fitting the NATO/ PacRim alliance.
- A dragon gave the beast power and a throne of authority. To be honest, this one threw me until I research the realities behind the power of the Bilderberg Group, what some might call the modern incarnation of the 'Illuminati', and which has a leading member with a family crest of twin dragons.
- The Bilderberg do bear an uncanny, and yet secretive control over world leaders of the 'the beast' unaccountable to anyone, and clearly admired or respected by all western world leaders, celebrities, CEOs and others.
- The Western Alliance Beast with Bilderberg, UN, and other alliance power control the world's most powerful military, and suffered serious blow during 9/11.

There is more, but that is enough for our brief summary.

## Second Beast: Beast of the Earth

*Rev 13: 11 Then I saw a second beast, coming out of the earth. It had two horns like a lamb, but it spoke like a dragon.*

*14 Because of the signs it was given power to perform on behalf of the first beast, it deceived the inhabitants of the earth. It ordered them to set up an image in honor of the beast who was wounded by the sword and yet lived.*

*15 The second beast was given power to give breath to the image of the first beast, so that the image could speak and cause all who refused to worship the image to be killed.*

Most scholars will refer to this beast as an alliance between Russia and Turkey, with some connection to China, although Russia and Iran also could be the truth and make more sense. Beyond that, I've read some wild theories. Okay, here is my wild theory.

For the longest time, verse 14 stumped me, but if I look at attributes, I see Russia given power by the first beast through a deception. In that deception, the second beast breath power into 'the image' of the first beast, so not the true first beast, but a false or phony.

In 2016 Russia reached 140 million Americans with fake ads in support of Trump and denigrating Clinton with mis-information campaigns including QAnon lies such as Pizza Gate. The disinformation campaign worked, Russia was rewarded on the world stage with success, and continues in 2020.

This once in our history event has weakened our nation, divided our people, lower world opinion of the US, weakened our alliances and set up events for the third temple by a leader who blasphemes, calling his chosen one, a term normally reserved for the Christ.

*16 It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their right hands or on their foreheads, 17 so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name. 18 This calls for wisdom. Let the person who has insight calculate the number of the beast, for it is the number of a man. That number is 666.*

The currently administration now requires biometric data for all immigration processing and has actively considered as part of national ID.

In the next chapter, a few verses later, the writer speaks of a vision where an angel announces ‘Fallen, fallen, the mystery Babylon, which made all the nations drink the madding wine of her adulteries has fallen.’

I interpret the United States as the mystery Babylon based on my interpretation of the previous text.

Okay, 666 has any number of false attempts to identify, including my own. I have connected this ‘number of a man’ as the very unusual architectural feature on the front of a certain tower in New York. I could be wrong, but it fits.

## Anti-Christ – the Man of Lawlessness

There are a number of texts that refer to the so-called Anti-Christ. Beyond being a leader of the first beast (Western Alliance), and beyond being under the influence of Russia, which the prophecy refers to as Magog, with a Prince Gog, and beyond financial controlling an invincible army, and beyond 666, there are other attributes that must fit to be correct.

### **He is Lawless**

Paul calls him “The Man of Sin,” literally “The Man of Lawlessness” (2 Thess. 2:3). He will disregard God’s Word and God’s law and replace it with his own arbitrary laws. He will re-define what is evil and what is good. He will promote doctrinal and ethical lawlessness.

### **He is a Destroyer**

In the same verse, Paul names Antichrist as “the son of perdition,” meaning “son of destruction.” He will physically destroy those who oppose him; he will spiritually and eternally destroy all who believe him and follow him, and will destroy institutions and norms that keep us safe from the kind of crisis we face.

### **He Opposes God**

“He opposes and exalts himself against all that is called God” (v. 4). Well, that doesn’t help much, does

it? Half the world opposes God and exalt themselves over Him. But what's unique about this opposition is that the Antichrist opposes mainly by substitution.

### **He is a Substitute**

As "Anti" can mean "instead of" as well as "against," Antichrist can mean "**opposite of Christ**," "instead of Christ," "substitute for Christ." Paul confirms this when he says that the Antichrist "sits as God in the temple of God, showing himself that he is God" (**2 Thess. 2:4**). Such as someone who calls themselves 'the chosen one.' This is not necessarily an enemy from outside the church, or the US.

### **He is a Deceiver**

The only other person called "the son of perdition" was Judas (**John 17:12**). In fact, the dominant message from passages dealing with the Antichrist is, "Don't be deceived!" Just as Satan rarely comes painted red with horns, a fork, and a pointy tail, the Antichrist will not come with a big "A" on his forehead. Like Satan, he will come with false signs, wonders, and miracles; he will be so plausible and persuasive that, if it were possible, He would deceive even the elect (**Matt. 24:24**).

### **He is a Heretic**

John's main concern with the Antichrist is his promotion of false doctrine surrounding the person and work of Christ (**1 John 4:3; 2 John 7**). Just like the mini-antichrists in John's day, THE ultimate Antichrist will not deny everything about Christ, but just enough to undermine the power of Christ's gracious salvation.

### **He is a Politician**

While Daniel and Revelation confirm and expand upon these six characteristics, their main emphasis is on the **political nature of the Antichrist**. He will head up a head of the beast, similar to other nation states or empires. These books also make clear that this aspect of Antichrist's work will become clearer and clearer nearer the end of time. Deception will be replaced with destruction, fraud will give way to force, the wolf in sheep's clothing will shed his fleece and bare his fangs.

I published SWARM too late to influence an election, but rather to provide hide sight on a past decision. I don't know who will win, but the future of the nation and the planet will hinge on the choice. In the end, it may already be pre-ordained.
