

## **INDUSTRY REVIEWS:**

### **KIRKUS Reviews (INDUSTRY STANDARD – only 10% of Indie authors recommended)**

- *A riveting tale with globe-circling, cloak-and-cyber skullduggery and strong Bible code underpinnings.*
- *A grandly indulgent, globe-trotting narrative in the Dan Brown/Iris Johansen style.*
- *The novel brims with wild characters, exotic settings, a skillful embroidering of CNN headlines, and mind-blowing concepts, into which the religious stuff fits snugly.*

### **Pacific Book Review (5 Star)**

- *The book created the same heart-pounding and depth-filled reading experience that films like the Bourne Identity films*

### **Reader's Favorite (5 Star)**

- *I would certainly recommend Swarm for fans of conspiracy dramas at their very best.*
- *Deftly plotted and brilliantly written thriller. The writing is crisp and gorgeous*

### **US Book Review – Carolyn Davis (5 Star)**

- *A nerve-wracking thriller . . . presented with brilliance*

### **Red Headed Book Lover Blog (5 Star)**

- *SWARM is gripping, glorious, and let's not forget breath-taking!*
- *SWARM is a thrilling novel that will excite readers from start to finish*

## **READER REVIEWS:**

Jack Teetor:

- *A pulse -pounding grab you by the throat thrill ride. An electrifying page-turner . . . “must read” book of the year.*

Derek Christensen:

- *Swarm is absolutely brilliant; I could not put it down. I am a huge Dan Brown fan and I feel that Guy is right there with him. If you loved the DaVinci Code then Swarm is right up your alley.*

SheenaM:

- *A gripping tale of unlikely heroes pitted against even more unlikely foes. The story is riveting and incredibly fast-paced.*
